Re: Notice of Alternative Timeframe for 9-1-1 Text Message Routing  
PS Docket Nos. 10-255 and 11-153

Dear Mr. May:

Pursuant to section 20.18(q)(10) of the Commission's rules, 47 C.F.R. § 20.18(q)(10), Verizon has agreed to an alternate timeframe to begin delivering 9-1-1 text messages to the following Public Safety Answering Points ("PSAPs"):

<b>ID</b>	<b>NAME</b>
6450	Brazos County Ecd Office
6493	College Station Police Department
6940	Texas A&M University Ems
6941	Texas A&M University Police Department

The PSAPs requested 911 text message delivery on January, 11, 2016, but informed Verizon of an extension of the target launch date until October 1, 2016.

Please contact me if there are questions concerning this filing.

Sincerely,
